Seward Civic & Commerce Association

To run an effective organization takes money as well as strong leaders and a commitment from the members. Your contribution will help keep the Seward Civic and Commerce Association (SCCA) strong. The SCCA needs to be poised to participate effectively in whatever comes up, but it cannot do that without your support. It takes all sizes of businesses participating to ensure success. Please give the amount you are comfortable with. Most organizations contribute between $50.00 and $200.00.
