

Business Association Administration

Seward Civic and Commerce Association (SCCA)

Redesign is pleased to provide staffing support for the Seward Civic and Commerce Association, Seward's business association for more than 40 years. Through this relationship Redesign performs the following duties:

- organizes board and membership meetings,
- produces and distributes a monthly newsletter
- performs grant writing and administration,
- policy outreach,
- special events planning and implementation, and
- membership services.

West of the Rail Business Association (WRBA)

In 2009, through a grant from the City's Great Streets Program, and in partnership with the Standish-Ericsson Neighborhood Association (SENA), Redesign provided staffing support to launch the West of the Rail Business Association.

Now in its second year, the association has an active board of directors, monthly membership meetings, and events for the community. Find out more at www.sena.org or contact:
